A RIVIERA SANCTUARY ABOVE THE BAY — WHERE FIVE-STAR SERVICE MEETS ABSOLUTE PRIVACY.

Spanning 750 m² of sun-drenched living space, Villa Donna accommodates twelve guests across six impeccably appointed en-suite bedrooms, each opening onto private balconies or terraces. The residence is mere moments from the crystalline waters of Paloma and Passable beaches, with over a hundred restaurants (including Michelin-starred) scattered along the coast and the legendary Villa Ephrussi de Rothschild just a short drive away.

Inside, the grand living and dining spaces are bathed in natural light, flowing effortlessly onto expansive terraces that frame the Mediterranean coast a living canvas. The double-height living room features sumptuous sofas arranged for conversation, while the elegant dining area seats ten beneath panoramic views that stretch from Beaulieu to Cannes and the Estérel Massif. Every detail — from fresh flowers to organic cotton linens and high-quality cosmetics — has been considered with quiet precision.

The six generously proportioned bedrooms are serene retreats in their own right, each with a private en-suite bathroom and direct access to a balcony or terrace overlooking the sea.

The master suite is a haven of calm, offering a vast dressing area, a spa-inspired bathroom with separate shower, and uninterrupted views over Cap Ferrat — a private perch from which to watch dawn break over the Mediterranean.

Entertainment and relaxation are woven into the fabric of the villa. A heated outdoor pool glimmers at the heart of the terrace, surrounded by loungers and shaded alcoves for afternoon siestas. The fully equipped Technogym invites an energising morning workout, while the wine cellar — stocked with an impressive selection of French vintages — provides the perfect prelude to dinner.

A dedicated team of staff, including a chef, butler, concierge, housekeeping, and villa manager, ensures every wish is anticipated, from poolside snacks to refined multi-course meals crafted by the in-house chef. Additional amenities include a fireplace, Sonos sound system, high-speed Wi-Fi, air-conditioning, heating, and secure parking.
