CHALET BELLEZZA: A NEW 2026 MEGÈVE RETREAT WITH PRIVATE SPA, PANORAMIC VIEWS AND SKI-IN ACCESS.

Arranged across three floors and connected by a lift, the chalet centres on a bright, approximately 110 m² open-plan living area. Floor-to-ceiling windows frame the mountain views, while a fireplace, comfortable sofas, a TV area and considered lighting create an inviting place to unwind. The dining area flows into a sleek kitchen, separated by a breakfast bar. Furnished balconies and terraces extend the living space outdoors.

The chalet's four en-suite bedrooms accommodate up to 10 guests. The 45 m² master suite features a king-size bed, a private balcony and a bathroom with both a bath and a shower. Two further bedrooms each offer a king-size bed, a balcony and an en-suite shower room. The children's room has two sets of bunk beds (80 × 190 cm) and its own shower room. Light wood, soft textiles and a palette of warm whites create a fresh, relaxed atmosphere throughout.

After a day on the mountain, retreat to the private spa, with a sauna, massage room and shower. Outside, a cedar Nordic hot tub offers a restorative soak beneath the Alpine sky.

Additional amenities include a spacious ski room, lift, high-speed Wi-Fi, Smart TVs and four electric bikes for exploring Megève in summer. The chalet is available year-round.
